Our lessons at Holly Lodge School in West Derby are on Mondays and Wednesdays every week. We will be in the large Activity Studio on the first floor of the Sports Complex.

How do I get there?

We use the large Activity Studio on the first floor of the sports complex at Holly Lodge. You enter the school from Mill Lane and follow the red line on the attached map into the car park. Once you have parked up you will see the signs for the reception for the sports complex (marked with the red location symbol on the map).
